[CORRESPONDENCE OF THE APPEAL.] HUGHES PLACE, May 9 .- Having seen no

mention of the Hughes break recently and the condition of the country affected by the water passing through this Second Levee District, I write you a short letter. This break occurred on the morning of the 29th of February, since which time the Father of Waters has been vomiting an angry flood through the crevasse, night the Hon. Mr. Beauchamp, distinriver back of Lake Vermillion, which is covered with heavy timber, consequently one of the most inconvenient places on thing used upon the work had to be im-provised and constructed on the grounds. Not withstanding the many difficulties be surmounted, our engineer has built a wall of sacks filled with earth ceme wall of sacks filled with earth cemented the wail is built in the form of a semicircle, on the land side ranging from six to sixteen seventy feet yet to be overcome. This seventy feet is twelve feet deep, with current of immense velocity, and they now have a pile-driver at each end closing this short space. This whole wall has been built by driving piles and placing sacks double row of piling and cross beams. This work is being done in twelve feet of water. To see this done with the rude

filled with earth in front. They are now friving piles twenty four feet long, ten naches in diameter, ten feet in the earth, everything being braced and secured by a vater. To see this done with the rade ille-drivers is simply remarkable, and lemonstrates the fact that with the proper ppliances there is no reason why very break should not be closed within short time after its occurrence. Even if there is no more done but what is now completed, it is such a reduction of the water that we have only ten per cent. of days ago with the river at the same stage and this reduction now takes many planta-tions out that otherwise would now be under water and secures them against the June rise, and the benefit accruing to the

count. I cannot close my letter without action.
making special mentions of Mr. Charles The West, assistant engineer, Messrs, J. S. Richardson, J. V. Lobdell, R.W. McLemore and C. Gibson, planters, who have been ever ready to render any assistance and to never ceased day or night since its beginning, and he has given this work his constant personal supervision. He has been the "right man in the right place," and his acts are typical of his name, for he has been truly at the Helm.

A Sanguinary Lunatic, DECATUR, ILL., May 12.-This city was greatly excited yesterday by the sanguinary actions of a lunatic named Lamar who escaped from some unknown asylum, reached the city during the night and took possession of the temporarily vacant house of Martin Blenz. Blenz drove him out, when the madman produced a revolver and shot several times at Blenz, driving him a vay, when he again took possession of the house. A posse of nearly 300 men accompanied Blenz and the officers to the

house. The lunatic fired again and again, once hitting Blenz on the arm and inflicting a serious wound. He then began an attack on the crowd with knives and a cleaver found in the house, Blenz being tcher. Lamar was finally felled by club by officers who climbed to the second-story window on a ladder. He was then verpowered and pinioned, and taken to

Letter from J. Malcolm Smith, Clerk of Westchester County, New York, for Nine Years. WHITE PLAINS, N. Y., May 7, 1883. I have for many years been troubled

leuritic pains, and have always found efficient in affording relief.

In December last I had an attack of pneumonia, which left one of my lungs in a weak and extremely sensitive condition, accompanied at times with severe pain. The application of one plaster relieved the pain in a short time, and I have worn one most constantly since, as a protection to he weakened lung.

I have used Allcock's Porous Plasters myself and family for over twenty-five

ears, always with speedy beneficial re-ults, and I do not hesitate to recommend em for their mild counter-irritant anal ties, and for their efficiency in relieving soreness of the lungs and pains of a rheunatic or neuralgic sharacter.

J. MALCOLM SMITH. Be sure to obtain "Allcock's" Porous Plasters, as all others are worthless imi-

Pittisburg, Pa., May 12.—Telegraphers bere disclaim all knowledge of the pro-posed reorganization of the Brotherhood and a strike at Chicago during the Na-tional Convention. Thomas M. Hughes, which mark the strides the people have made, and indicate unerringly the possibilities upon which magi and foels alike delight to dwell with more or less fondness. These elements are: Intellectual fertility, commercial ingenuity and manly courage. Only a few decades since and the atmosphere of this country was foul and nauseous with the positive affirmations of learned fools that the colored people were possessed of none of the elements who was secretary of the Brotherhood says such talk is an idle rumor. Other say so far as this city is concerned, there is nothing in it. Many, however, favo and nauseous with the postate animal tions of learned fools that the colored people were possessed of none of the elements which enter into the composition of men capable of higher civilization. But already the prophets of evil have been put to shame. The race has already taken its natural place in the mental, material and valorous line of progress, and promises to henceforward go on to triumph and excellence. The future is luminous with most fruitful promises. On the battlefield, in the cornfield and in some of the most important fields of mental activity we have amply demonstrated that futurity may not unwisely count largely upon us to contribute to the sum total of our country's position in the history of human effort. Our literary activity is daily showing in a most marked manner that great things may be expected of us. In every considerable city in the Union we can point to literary societies of more or less of promise. DUBUQUE, IA., May 12.—By the running away of a team last night Mr. and Mrs. Mathias Fritz were thrown out. The wo-
